

1958 XCC

Osawatomic Junior Kays started a financial project which lasts throughout the year. Since the junior high has no school paper, the Kays appointed a committee to write and publish a paper, which sells for 2 cents a copy. They have had a campaign to clean the school building and grounds, and helped provide the dinner for three needy families at Thanksgiving.

Silver Lake Kayettes entertained their new members with a Hollywood Premiere Party. The girls came dressed as their favorite movie stars, and the entertainment consisted of skits acted from recent pictures of the stars. Oscars were awarded for the best costumes and the best skits. They sponsored a Drive Safely Week in November, and held their annual slumber party that month. This year each girl who attended the party brought 15 cents to be donated to Meals for Millions.

Vermillion Kayettes planted tulip bulbs in their new school planter. They have had a successful Savings Stamp program in the grade school, and are sponsoring the same program in the high school this year.

### Football Awards

Principals and coaches are requested to check with particular care on any proposals to present awards to football players, coaches or schools whose teams might have earned recognition.

It is not permissible for players to accept any awards from sources outside their own schools. The only awards that may be accepted are local school letters or awards by leagues, such as medals, provided the league awards are announced before the season opens.

Certificates of award from agencies outside the schools are not permitted. It is the custom of many civic organizations to honor local athletes by means of recognition dinners and programs, but these must be confined to the athletes of the local community. There is a definite limit upon the value of awards that may be accepted by coaches.

### Football Season Records

Records of undefeated high school football teams will appear in the January issue of the Activities Journal. It was necessary for copy for the December issue to be in the hands of the printer by November 15, so it was not possible to have all the records ready in time for it. Schools with records that qualify their teams for this recognition are urged to send them to Association Headquarters just as soon as the season is over. League standings and the name of the coach should be included with all season records. Complete league standings should be sent in by all league secretaries.

### Send Cash For Rule Books

When ordering basketball rule books, 25c should be enclosed with the request. This applies especially to any order less than four books. It will facilitate the handling of these requests if the necessity of billing is eliminated.

## Wichita East and Maize Win State Cross Country Championships

The 1958 State Cross Country Meet held at the Shawnee County Club in Topeka on November 8 produced a new Class B champion in Maize with 39 points, and saw Wichita East successfully defend its Class A title with a score of 57 points.

Wichita East's Archie San Romani, Jr., won the Class A individual division with an exceptionally fine time of 10:04 for the two-mile course. He defeated the field and runner-up Fred Robinson from Washington of Bethel by some 30 yards. Delbert Franz of Walton won the Class B individual title by edging Maize's Ron Nicholson.
