

WICHITA EAST, HOISINGTON, KINSLEY AND FORD 1964 STATE TRACK AND FIELD CHAMPIONS

Two national records highlighted the 1964 State Track and Field Meet held May 15 and 16 at Kansas State University, Manhattan. A total of 13 existing state records were broken and 2 others tied in the greatest assault on the record books since 1955 when 16 were broken and 2 tied. The 1955 meet included one national record (Charles Tidwell of Independence skimmed the 180-yard low hurdles in 18.5 seconds).

In addition to the 15 records tied or broken in Classes AA, A and B, all 16 marks set in newly formed Class BB stand as records.

Jim Ryun of Wichita East, thrilled the 6,500 spectators, as he ran the fastest mile ever by a high school boy to highlight the 54th annual state high school meet. The 17-year-old junior did it in 4:06.4, breaking his own state record of 4:16.2 set in 1963, and the existing national record of 4:08.7 set by Dennis Carr of Whittier, California.

The national medley relay record was broken by Wichita East in a time of 3:25.0, well under the existing national record of 3:27.4 set in 1961 by LaHabra, California. The mark bettered the previous state record of 3:34.2 set by Shawnee Mission East in 1961. The record breaking foursome was made up of Chris Forsberg (440), Dwight Hart (220), Earl Yarbrough (220) and Jim Ryun (880). The same team members won the finals on Saturday with a time of 3:30.8, but ran in a different order.

Wichita East garnered their 19th state championship since 1929, their third in the last four years (the first state champion was crowned in 1911. Wichita won 4 state titles from 1911-1928), in overwhelming the Class AA field by accumulating 56 points. Shawnee Mission East placed second with 26 points and Wichita North third with 14 points.

Eric Robinson won both hurdles, and was second in the broad jump to be the top scorer for East. The Blue Aces earned two places in three different events and tallied in 12 of the 16 events.

Hoisington dominated the Class A field by scoring 39 points to capture their second state title. Their first was in 1953. Runner-up Concordia scored 19 and Mulvane accumulated 14, good for third place.

Bill Kimble was the main show for the Cardinals, winning the 100 and 200-yard dash, the low hurdles and anchored the record breaking 880-yard relay team. Hoisington's other two firsts were by discus thrower Don Clutter and its record tying mile relay team.

Kinsley successfully defended its Class B crown with a multitude of underclassmen in scoring 31 points. Caldwell registered 17 and Lakin 12 1/2 for second and third.

The Coyotes, in winning their second state championship, had four firsts and scored in eight events. Ken Gaines won the high jump and high hurdles and ran a leg on the winning record breaking medley relay team. Kinsley's other first was in the 880-yard relay, where they tied the state record.

Ford had the narrowest margin of victory of the four classes in defeating Fairview 24 1/3 to 18.

Mount Hope and Soldier tied for third place with 12 points.

The Bulldogs annexed the first Class BB championship and were lead by the phenominal Jim Askew who placed third in the 100-yard dash, anchored the winning 880-yard relay team, won the 880-yard run and then placed second in the 220-yard dash, in that order.

Following is a summary of the 15 records that were broken or tied:

**WICHITA SOUTHEAST, WICHITA KAPAUN,
EMPORIA AND HILL CITY
WIN 1964 GOLF TITLES**

Top honors at the Grass Greens State Golf Tournament held at the Lawrence Country Club in Lawrence on May 15 and 16 were captured by Wichita Southeast's four-man team, Wichita Kapaun's two-man team and Kapaun's Grier Jones, medalist. Emporia's four-man team dominated the Sand Greens Tournament held at Marion. Hill City won the two-man team division and Don Dorell of Emporia was medalist.

Wichita Southeast's grass greens four-man team won its second successive state title. The foursome of Kent Carter, Kent Powell, Steve Foulston and Charles Reeves were lead to victory by the only hold over from last year's champions, Kent Carter, as they won by a decisive margin of 17 strokes over second-place Hutchinson with an overall combined score of 641 strokes. Grier Jones and Steve Hamilton of Wichita Kapaun won the two-man grass greens championship by a margin of 6 strokes over Lawrence, in shooting a 314. Grier Jones, a member of the two-man team champion, also captured medalist honors in a closely packed field as he won by 2 strokes over Pete Bell of Junction City and N. W. Iverson of Arkansas City in shooting a 152. Jones also won medalist honors in 1963.

In the Sand Greens Tournament at Marion, Jon Davis, Don Dorell, Jerry Thomas and Richard Paegelow of Emporia shot a 555 and handily won the four-man golf crown by defeating Clay Center and Ellis by 15 strokes. Hill City won the two-man competition, as C. Fountain and J. Daily combined their efforts in scoring a narrow margin of victory over second-place Sabetha. Hill City shot a 277, a one-stroke margin over Sabetha's 278. Don Dorell of Emporia won medalist honors in a tight four-man battle as he defeated R. J. Robertson of Ellis, John Davis of Emporia and L. May of Ellis in a sudden-death play-off. All four golfers shot a 136 in medal play.

NO PRACTICE ON OUTSIDE TEAMS

Attention of principals and coaches is called to the Anti-Tryout Rule which prohibits athletes practicing on outside teams until their high school competition is over for the school year. All athletes should be cautioned not to violate this regulation.

This rule reads as follows: Participation in training sessions or tryouts by colleges or other outside agencies in any sport is prohibited during the school year. Violation of this rule shall cost any student his eligibility in all interscholastic activities for a period of one year from the date of the violation unless reinstated by the Executive Board.

Exception: Exceptions may be made to permit students to participate in outside athletic activities in their local communities after their high school participation is over for the school year.

This applies particularly to local baseball teams, such as those sponsored by the American Legion, and does not deprive high school boys of opportunities to start practice or play before school closes, provided they have completed all their high school athletic competition for the school year. If there is any question about what constitutes a "local team" it must be submitted to the Executive Board for interpretation.
