SHAW

Floyd Shaw of Winfield, captain of the state champions of 1925, has been the track ace of Kansas for the past three seasons. For three consecutive years his team has won the State Track Meet, and his points have been a deciding factor. In 1924, he shared high point honors with Kuck of Wilson, and took the individual cup in 1925. He holds the state 100-yard dash record and has won the fifty, hundred and two-twenty for the past two seasons. As the book goes to press he is carrying Kansas honors at Chicago.

Here is a star Kansan. It will be noticed that he holds two state records, discus and shot put. Twice he has had the individual honors of the state, once sharing them with Shaw and once by a clear margin. Kuck is a wonder—his records will stand. He was the high point man at the Chicago meet in 1924 and holds the National Interscholastic record in the shot. He is now making new records for K. S. T. C. of Emporia.
